

MEETING MINUTES

Checkpoint Welight + Setimus 12/06/23, 11:00am GMT-3

PARTICIPANTS

SETIMUS: Steyce and Steffson

WELIGHT: Flavia, Ian, Natalia and Sarah

DISCUSSED

- The contract is closed. We will have the sworn translator's feedback by Friday.
- Ian asked for it to be moved up to Thursday.
- Ian mentioned the possibility of donating solar panels. He is still trying with some suppliers.
- Ian had a meeting with the Starlink team about the project and the possibility of providing internet in the region.
- LOGISTIC: The shipments and values have been divided among the companies. (VALE and SETIMUS)
- Promotional material is being produced, which can be used in the future.
- Steffson asked about marketing and if he can use the project for promotion, (Suppliers).
- Ian explained that once the marketing material is ready, they can distribute it among the suppliers and offer advertising slots.
- Advertising slots will be allocated and are still being organized.
- Ian may have future meetings with the suppliers to explain the project and the marketing slots.

END.
